SECTION IV

QUALIFIED SETTLEMENT FUND

4.1 Tax Treatment. The Tort Claims Trust is intended to be treated for U.S. federal income tax purposes as a “qualified settlement fund” as described within the QSF Regulations. Accordingly, for all U.S. federal income tax purposes the transfer of assets to the Tort Claims Trust will be treated as a transfer to a trust satisfying the requirements of the QSF Regulations by the Tronox Debtors, as transferors, for distribution to Holders of Tort Claims and in complete settlement of such Tort Claims.

4.2 No Right to Reversion with Respect to Tort Claims Trust Assets. After the Trust Distribution Effective Date, neither the Tronox Debtors nor Reorganized Tronox will have any rights to any refunds or reversion with respect to any Tort Claims Trust Assets or any earnings thereon.

4.3 Obligations of the Tort Claims Trustee. The Tort Claims Trustee shall be the “administrator” (as defined in the QSF Regulations) of the Tort Claims Trust and shall (a) timely file such income tax and other returns and statements and timely pay all taxes required to be paid from the assets in the Tort Claims Trust as required by law and in accordance with the provisions of the Plan and this Tort Claims Trust Agreement, (b) in the event that Reorganized Tronox elects to treat the Torts Claims Trust as a grantor trust pursuant to Treasury Regulation §1.468B-1(k)(1), provide Reorganized Tronox with any statements or reports required by the QSF Regulations or Treasury Regulation §1.671-4, to enable Reorganized Tronox to calculate its share of the Torts Claim Trust’s tax obligations and attributes, (c) comply with all withholding obligations, as required under the applicable provisions of the IRC and of any state law and the regulations promulgated thereunder, (d) meet all other requirements necessary to qualify and maintain qualification of the Tort Claims Trust as a “qualified settlement fund” within the

4.4 Obligations of Reorganized Tronox. Following the funding of the Tort Claims Trust (and in no event later than February 15th of the calendar year following the date of this Tort Claims Trust Agreement), Reorganized Tronox shall provide, or cause to be provided, to the Tort Claims Trust any reports or statements required under the QSF Regulations. Following any subsequent transfers of cash or other property to the Tort Claims Trust, the transferor (or the entity treated as the transferor for U.S. federal income tax purposes) shall provide, or cause to be provided, to the Tort Claims Trustee any reports or statements required under the QSF Regulations.

4.5 No Contravention of Requirements. No provision in this Tort Claims Trust Agreement or the Tort Claims Trust Distribution Procedures shall be construed to mandate any distribution on any claim or other action that would contravene the Tort Claims Trust’s compliance with the requirements of a “qualified settlement fund” within the meaning of the QSF Regulations.

4.6 Withholding of Taxes and Other Charges.

(a) The Tort Claims Trust may withhold from any amounts distributable at any time to the Holders of Tort Claims such sum or sums as may be necessary to pay any taxes or other charges which have been or may be imposed on the Tort Claims Trust or the Holders of Tort Claims under the income tax laws of the United States or of any state or political subdivision or entity by reason of any distribution provided for herein or in the Plan, whenever such withholding is required by any law, regulation, rule, ruling, directive or other governmental requirement.

(b) The Tort Claims Trustee, in the exercise of its discretion and judgment, may enter into agreements with taxing or other authorities for the payment of such amounts as may be withheld in accordance with the provisions of this Section 4.6. Notwithstanding the foregoing, but without prejudice to the Tort Claims Trust's rights hereunder, the Holders of Tort Claims shall have the right with respect to the United States or any state or political subdivision or entity to contest the imposition of any tax or other charge by reason of any distribution hereunder or under the Plan.

4.7 Other Governmental Disclosures. The Tort Claims Trustee shall file, or cause to be filed, any other statements, returns or disclosures relating to the Tort Claims Trust that are required by any governmental unit or applicable law.

Good cause shall be deemed to include, without limitation, any substantial failure to comply with the general administration provisions of SECTION III above, a consistent pattern of neglect and failure to perform or participate in performing the duties of the Tort Claims Trustee hereunder, or repeated non-attendance at scheduled meetings. Such removal shall require the approval of the Bankruptcy Court and shall take effect at such time as the Bankruptcy Court shall determine.

5.3 Successor Tort Claims Trustee.

(a) Upon the termination of service of the Tort Claims Trustee, whether as a result of the expiration of its (or his or her) term or its dissolution (or his or her death), resignation or removal, the TAC shall appoint a successor Tort Claims Trustee. In the event that the TAC cannot agree on the successor Tort Claims Trustee, the Bankruptcy Court shall make the appointment.

(b) Immediately upon the appointment of any successor Tort Claims Trustee, all rights, titles, duties, powers and authority of the predecessor Tort Claims Trustee hereunder shall be vested in, and undertaken by, the successor Tort Claims Trustee without any further act. No successor Tort Claims Trustee shall be liable personally for any act or omission of his or her predecessor Tort Claims Trustee.

(c) Each successor Tort Claims Trustee shall serve until the earliest of (i) its dissolution (or his or her death), (ii) his or her resignation pursuant to Section 5.2(b) above, (iii) his or her removal pursuant to Section 5.2(c) above, or (iv) the termination of the Tort Claims Trust pursuant to Section 8.1(b) below.

(a) The resignation or removal of the Tort Claims Trustee shall not operate to terminate the Tort Claims Trust or to revoke any existing agency created pursuant to the terms of this Tort Claims Trust Agreement or invalidate any action theretofore taken by the Tort Claims Trustee or any prior Tort Claims Trustee.

(b) In the event of the resignation or removal of the Tort Claims Trustee, such Tort Claims Trustee shall (a) promptly execute and deliver such documents, instruments and other writings as may be reasonably requested by the successor Tort Claims Trustee to effect the termination of the Tort Claims Trustee's capacity under this Tort Claims Trust Agreement and the conveyance of the assets then held by the Tort Claims Trustee to such Tort Claims Trustee's successor, (b) deliver to the successor Tort Claims Trustee all documents, instruments, records and other writings related to the Tort Claims Trust as may be in the possession of the Tort Claims Trustee and (c) otherwise assist and cooperate in effecting the assumption of his or her obligations and functions by such successor Tort Claims Trustee.

opinion, report, notice, request, consent, order or other instrument or document which the Tort Claims Trustee believes to be genuine and to have been signed or presented by the proper party or parties or, in the case of facsimile transmissions or electronic mail, to have been sent by the proper party or parties, in each case without obligation to satisfy itself that the same was given in good faith and without responsibility for errors in delivery, transmission or receipt.

(b) In the absence of fraud, bad faith or willful misconduct on the part of the Tort Claims Trustee, the Tort Claims Trustee may rely as to the truth of any statements contained therein in acting thereon. The Tort Claims Trustee may consult with and rely on the advice of legal counsel and such other experts, advisors, consultants or other professionals (collectively, the "Tort Claims Trustee Professionals") as shall have been retained pursuant to this Tort Claims Trust Agreement and shall be fully protected and absolved from liability in respect of any action taken or suffered by it in accordance with the opinions of the Tort Claims Trustee Professionals.

5.7 Tort Claims Trustee's Compensation and Reimbursement. The Tort Claims Trustee may pay from the assets of the Tort Claims Trust the reasonable salaries, fees and expenses of the Tort Claims Trustee and any professionals retained by the Tort Claims Trust. The Tort Claims Trustee shall receive compensation from the Tort Claims Trust for its service as the Tort Claims Trustee, paid first by interest to the extent interest has accrued, and then from principal, according to the terms identified in Sections 5.7(a)–(h) for the particular services included therein. The compensation outlined below is subject to reasonable periodic adjustment with approval of the Tort Claims Trustee and the TAC to account for inflation and / or market changes.

(a) Establishing and Managing the Tort Claims Trust as a Qualified Settlement Fund; Serving as Trustee: The Tort Claims Trustee shall establish and administer the Tort Claims Trust fund pursuant to the terms of the Tort Claims Trust Agreement and the TDPs

(collectively, the “**Trust Distribution Documents**”). In addition to the per-claimant amounts listed below, and the fees yet to be negotiated for any additional future services as described in Section 5.7(h), the Tort Claims Trustee shall receive a program establishment fee in the amount of \$540,000.00, intended to compensate the Tort Claims Trustee for its own services to the Tort Claims Trust related to government healthcare reporting duties, initial correspondence, fiduciary services and consultancy services provided prior to and until the date of transfer of Anadarko Litigation proceeds, if any, as described by Section 1.1(b) of the TDPs.

(b) Present Injury—Asbestos, Non-Asbestos, and Unaccounted-for Claims: In accordance with the TDPs, the Tort Claims Trustee shall make Distributions to the Holders of Allowed Asbestos Claims, Allowed Non-Asbestos Toxic Exposure Claims, Allowed Unaccounted-for Tort Claims, and Allowed Future Tort Claims either directly or through the care of their counsel. The Tort Claims Trustee shall assess a fee of \$550.00 per Holder of an Allowed Asbestos Claim, Allowed Non-Asbestos Toxic Exposure Claim, Allowed Unaccounted-for Tort Claim, or Allowed Future Tort Claim; provided, however, that for Holders asserting an Allowed Non-Asbestos Toxic Exposure Claim that is submitted to the Tort Claims Trustee as a medical monitoring/unimpaired claim under Schedules B or D of the TDPs, the Tort Claims Trustee shall assess a fee of \$150.00 per such claimant. The fee assessed for each Holder of a Tort Claim described in this Section 5.7(b) shall be assessed against the Fund for the Category to which each such Tort Claim belongs, as set forth in Sections 1.4 and 1.5 of the TDPs.

(c) Indirect Environmental Claims: In accordance with the TDPs, the Tort Claims Trustee shall make Distributions to the Holders of Allowed Indirect Environmental Claims either directly or through the care of their counsel. The Tort Claims Trustee shall assess a fee of \$550.00 per Holder of an Allowed Indirect Environmental Claim, which shall be assessed against Fund B, as that term is defined in Sections 1.4 and 1.5 of the TDPs.

(d) Property Damage Claims: In accordance with the TDPs, the Tort Claims Trustee shall make Distributions to the Holders of Allowed Property Damage Claims either directly or through the care of their counsel. The Tort Claims Trustee shall assess a fee of \$550.00 per Holder of an Allowed Property Damage Claim, which shall be assessed against Fund C, as that term is defined in Sections 1.4 and 1.5 of the TDPs.

(e) Healthcare Lien Verification:

(i) In accordance with the TDPs, the Tort Claims Trustee shall verify which Holders of Allowed Asbestos Claims, Allowed Non-Asbestos Toxic Exposure Claims, Allowed Future Tort Claims, and Allowed Unaccounted-for Tort Claims are recipients of federal Medicare benefits (Part A and B) and / or Medicaid benefits (Medicaid benefits shall be verified in state of residence only, unless otherwise agreed). If healthcare lien verification does not apply to a claim (e.g., if healthcare liens do not apply to bankruptcy proceeds or Property Damage Claims) no fee for healthcare lien verification or lien resolution shall apply. If healthcare lien verification services are required for any claimant, the Tort Claims Trustee shall assess a fee of \$100.00 per such claimant for such services, which shall be assessed against the Fund for the Category to which such Tort Claim belongs, as set forth in Sections 1.4 and 1.5 of the TDPs.

(ii) Although the Tort Claims Trustee shall fulfill its obligations to verify whether healthcare reimbursement obligations may exist and shall fulfill reporting obligations under the Medicare, Medicaid and the SCHIP Extension Act of 2007, the resolution of healthcare reimbursement obligations is the duty of each Holder and his or her counsel, and the Tort Claims Trustee shall not be liable to the Tort Claims Trust, to any Holder of a Tort Claim, or to any other person for any act or omission relating to matters covered in this Section 5.7(e), except for the Tort Claims Trustee's own breach of trust constituting fraud, bad faith, or willful misconduct.

(f) Pass-through Expenses and Other Services or Expenses: In addition to the fees above, specific activity-based costs will be passed through directly to the Tort Claims Trust. These pass-through costs include, but are not limited to, independent external audits (as required by the Trust Distribution Documents), external counsel or litigation expenses, insurance, tax preparation fees, postage, printing, envelope material costs, and travel expenses (if applicable for court proceedings or required meetings).

The Tort Claims Trustee shall pay from the respective Reserve for Resolution the reasonable costs, expenses, and fees, including attorney fees, associated with such Resolution of Tort Claims, and for all other activities required to administer the Tort Claims Trust beyond those identified above. In the event that the amount of a Reserve for Resolution is insufficient to cover the reasonable costs, expenses, and fees, including attorney fees, associated with the Resolution of the Tort Claims for the Category associated with that Fund, the Tort Claims Trustee shall be entitled to assess the excess costs, expenses, and fees, including attorney fees, of such Resolution (i) against the remainder of the Fund from which that Reserve for Resolution was created, (ii) if said Fund is exhausted, then against each of the other Reserves for Resolution in proportion to the percentage of the aggregate value of the remaining Reserves for Resolution that each such Reserve for Resolution represents, and (iii) if the Reserves for Resolution are exhausted, against each of the other Funds in

proportion to the percentage of the aggregate value of the remaining Funds that each such Fund represents.

(h) Additional Services: The TAC and the Tort Claims Trustee intend and contemplate that the Tort Claims Trustee may provide additional, as-yet-unidentified services to the Tort Claims Trust beyond those listed above, and do hereby expressly and irrevocably waive, to the fullest extent permitted by applicable law, any and all actual or potential conflicts of interest that may arise from the Tort Claims Trustee providing such services to the Tort Claims Trust. The Tort Claims Trustee shall have authority, subject only to TAC approval, to contract on behalf of the Tort Claims Trust with itself in its capacity as a claims administrator for such services, which may include, but are not limited to, the following: the resolution of Healthcare Reimbursement Obligations (as defined in Section 4.7 of the TDPs) subsequent to the verification of said obligations as described in Section 5.7(e) above, the identification and resolution of any probate or bankruptcy interests in payments due to claimants, coordinating the preservation of claimants' needs- or entitlement-based government benefits, and the procurement of medical records. This practice shall be encouraged in those areas in which the Tort Claims Trustee has capacity and / or expertise to provide necessary services. The Tort Claims Trustee shall receive compensation from the Tort Claims Trust for such unidentified services at a reasonable rate, as negotiated between the Tort Claims Trustee and the TAC at the time the need for such services arises. The compensation associated with each such service shall be assessed against the Holders of Tort Claims for whom each such service is provided.

(i) Payment Terms:

(i) Within 15 days of the transfer of any amounts identified in Section 1.1 of the TDPs, the Tort Claims Trustee shall be authorized to assess fees associated with Section 5.7(a) of the Tort Claims Trust Agreement.

The Tort Claims Trustee must consult with the TAC on matters identified in Section 3.1(c) above and in other provisions herein and must obtain the consent of the TAC on matters identified in Section 3.3(c) above. Where provided in the Tort Claims Trust Distribution Procedures, certain other actions of the Tort Claims Trustee are also subject to the consent of the TAC.

6.3 Term of Office.

(a) The initial members of the TAC appointed in accordance with Section 6.1(a) above shall serve the staggered three-, four-, or five-year terms shown on the signature pages hereof. Thereafter, each term of service shall be five years. Each member of the TAC shall serve until the earliest of (i) the end of his or her first full term of office, (ii) his or her death, (iii) his or her resignation pursuant to Section 6.3(b) below, (iv) his or her removal pursuant to Section 6.3(c) below, or (v) the termination of the Tort Claims Trust pursuant to Section 8.1(b) below.

(b) A member of the TAC may resign at any time by written notice to the other members of the TAC and the Tort Claims Trustee. Such notice shall specify a date when such resignation shall take effect, which shall not be less than ninety (90) days after the date such notice is given, where practicable.

(c) A member of the TAC may be removed in the event that he or she becomes unable to discharge his or her duties hereunder due to accident, physical deterioration,

mental incompetence, a consistent pattern of neglect and failure to perform or to participate in performing the duties of such member (such as repeated nonattendance of scheduled meetings) or for other good cause. Such removal shall be made at the recommendation of the other members of the TAC with the approval of the Bankruptcy Court.

6.4 Successor Members of the TAC.

(a) If, prior to the termination of service of a member of the TAC other than as a result of removal, he or she has designated in writing an individual to succeed him or her as a member of the TAC, such individual shall be his or her successor. The TAC and the TAC Professionals shall at all times have reasonable access to the Tort Claims Trust’s officers, employees and agents, as well as to any trust professionals, and shall also have reasonable access to all information generated by them or otherwise available to the Tort Claims Trust or the Tort Claims Trustee; provided that in no event shall the TAC, its members or the TAC Professionals have any right to consult with counsel to the Tort Claims Trust or obtain any information in such a manner as would result in the waiver of attorney-client or other applicable privilege belonging to the Tort Claims Trust. In the absence of gross negligence the written opinion of or information provided by any TAC Professional or trust professional deemed by the TAC to be qualified as an expert on the particular matter submitted to the TAC shall be full and complete authorization and protection in support of any action taken or not taken by the TAC in good faith and in accordance with the written opinion of or information provided by such TAC Professional or Trust professional.

Each member of the TAC shall receive compensation from the Tort Claims Trust for attendance at meetings or other Tort Claims Trust business performed in the form of a reasonable hourly rate set by the Tort Claims Trustee, but in no event less than \$600 per hour. In addition, the Tort Claims Trust shall promptly reimburse each member of the TAC for any reasonable out-of-pocket fees and expenses incurred by him or her in connection with the performance of his or her duties as a member of the TAC. Such compensation or reimbursement shall be deemed a Tort Claims Trust Expense. The Tort Claims Trustee shall also provide the TAC with such reasonable access to any counsel, accountants, appraisers, auditors, forecasters, experts or financial or investment advisors retained by the Tort Claims Trust and its staff (if any) as the TAC may reasonably request during the time that the Tort Claims Trustee is considering such matter and shall also provide the TAC the opportunity, at reasonable times and for reasonable periods of time, to discuss and comment on such matter with the Tort Claims Trustee; provided that in no event shall the TAC or its members have any right to consult with counsel to the Tort Claims Trust or obtain

any information in such a manner as would result in the waiver of attorney-client or other applicable privilege belonging to the Tort Claims Trust.

(ii) In determining when to take definitive action on any matter subject to the consultation process set forth in this Section 3.1(c), the Tort Claims Trustee shall take into consideration the time required for the TAC, if its members so wish, to engage and consult with its own independent financial or investment advisors as to such matter. In any event, the Tort Claims Trustee shall not take definitive action on any such matter until at least thirty (30) days after providing the TAC with the initial written notice that such matter is under consideration by the Tort Claims Trustee, unless such time period is waived by the TAC.

The Tort Claims Trustee shall provide the TAC as much relevant additional information concerning the proposed action as is reasonably practicable under the circumstances. The Tort Claims Trustee shall also provide the TAC with such reasonable access to any counsel, accountants, appraisers, auditors, forecasters, experts or financial or investment advisors retained by the Tort Claims Trust and its staff (if any) as the TAC may reasonably request during the time that the Tort Claims Trustee is considering such action, and shall also provide the TAC the opportunity, at reasonable times and for reasonable periods of time, to discuss and comment on such action with

the Tort Claims Trustee; provided that in no event shall the TAC or its members have any right to consult with counsel to the Tort Claims Trust or obtain any information in such a manner as would result in the waiver of attorney-client or other applicable privilege belonging to the Tort Claims Trust.

(iii) The TAC must consider in good faith and in a timely fashion any request for its consent by the Tort Claims Trustee and must in any event advise the Tort Claims Trustee in writing of its consent or its objection to the proposed action within thirty (30) days of receiving the original request for consent from the Tort Claims Trustee. The TAC may not withhold its consent unreasonably. If the TAC decides to withhold its consent, it must explain in detail its objections to the proposed action. If the TAC does not advise the Tort Claims Trustee in writing of its consent or its objections to the action within thirty (30) days of receiving notice regarding such request, the TAC's consent to the proposed actions shall be deemed to have been affirmatively granted.

(iv) If, after following the procedures specified in this Section 6.7(b), the TAC continues to object to the proposed action and to withhold its consent to the proposed action, the Tort Claims Trustee and/or the TAC shall resolve their dispute in accordance with Section 9.15 below. However, the burden of proof with respect to the validity of the TAC's objection and withholding of its consent shall be on the TAC.

If at any time the Delaware Trustee shall cease to be eligible in accordance with the provisions of this Section 7.1, it shall resign immediately in the manner and with the effect specified in Section 7.3 below. For the avoidance of doubt, the Delaware Trustee will only have such rights and obligations as expressly provided by reference to the Delaware Trustee hereunder.

7.2 The Delaware Trustee shall not be entitled to exercise any powers, nor shall the Delaware Trustee have any of the duties and responsibilities, of the Tort Claims Trustee set forth herein. The Delaware Trustee shall be a trustee of the Tort Claims Trust for the sole and limited purpose of fulfilling the requirements of Section 3807 of the Act and for taking such actions as are required to be taken by a Delaware Trustee under the Act. The duties (including fiduciary duties), liabilities and obligations of the Delaware Trustee shall be limited to (i) accepting legal process served on the Tort Claims Trust in the State of Delaware and (ii) the execution of any certificates required to be filed with the Secretary of State of the State of Delaware that the Delaware Trustee is required to execute under Section 3811 of the Act and there shall be no other duties (including fiduciary duties) or obligations, express or implied, at law or in equity, of the Delaware Trustee. The Delaware Trustee shall have no liability for acts or omissions of the Tort Claims Trustee

The Delaware Trustee may resign at any time upon the giving of at least sixty (60) days' advance notice to the Tort Claims Trustee; provided, that such resignation shall not become effective unless and until a successor Delaware Trustee shall have been appointed by the TAC in accordance with Section 7.4 below. If the TAC does not act within such 60-day period, the Delaware Trustee may apply

to the Court of Chancery of the State of Delaware for the appointment of a successor Delaware Trustee.

7.4 Upon the resignation or removal of the Delaware Trustee, the TAC shall appoint a successor Delaware Trustee by delivering a written instrument to the outgoing Delaware Trustee. Any successor Delaware Trustee must satisfy the requirements of Section 3807 of the Act. Any resignation or removal of the Delaware Trustee and appointment of a successor Delaware Trustee shall not become effective until a written acceptance of appointment is delivered by the successor Delaware Trustee to the outgoing Delaware Trustee and the Tort Claims Trustee and any fees and expenses due to the outgoing Delaware Trustee are paid. Following compliance with the preceding sentence, the successor Delaware Trustee shall become fully vested with all of the rights, powers, duties and obligations of the outgoing Delaware Trustee under this Tort Claims Trust Agreement, with like effect as if originally named as Delaware Trustee, and the outgoing Delaware Trustee shall be discharged of its duties and obligations under this Tort Claims Trust Agreement.

7.5 The initial Delaware Trustee shall be the individual or entity reflected on the signature pages of this Agreement.

(a) After the termination of the Tort Claims Trust and for the purpose of liquidating and winding up the affairs of the Tort Claims Trust, the Tort Claims Trustee shall continue to act as such until all duties under the Plan and this Tort Claims Trust Agreement have been fully performed. Upon distribution of all of the assets of the Tort Claims Trust, or the proceeds thereof, the Tort Claims Trustee shall hold the books, records and files delivered to or created by the Tort Claims Trustee for a period of four years after the last distribution of assets from the Tort Claims Trust is made. The Tort Claims Trustee shall seek the issuance and entry of any orders necessary to approve such accounting and discharge it from any and all liability for acting as Tort Claims Trustee under the Plan and this Tort Claims Trust Agreement. The Tort Claims Trust's professionals shall be required to maintain accurate time and expense records.

(b) Following the dissolution and distribution of the assets of the Tort Claims Trust, the Tort Claims Trust shall terminate and the Tort Claims Trustee shall execute and cause a Certification of Cancellation of the Certificate of Trust of the Tort Claims Trust to be filed in accordance with the Act. Notwithstanding anything to the contrary contained in this Tort Claims Trust Agreement, the existence of the Tort Claims Trust as a separate legal entity shall continue until the filing of such Certificate of Cancellation.

If healthcare lien verification does not apply to a claim (e.g., if healthcare liens do not apply to bankruptcy proceeds or Property Damage Claims) no fee for healthcare lien verification or lien resolution shall apply. If healthcare lien verification services are required for any claimant, the Tort Claims Trustee shall assess a fee of \$100.00 per such claimant for such services, which shall be assessed against the Fund for the Category to which such Tort Claim belongs, as set forth in Sections 1.4 and 1.5 of the TDPs.

(ii) Although the Tort Claims Trustee shall fulfill its obligations to verify whether healthcare reimbursement obligations may exist and shall fulfill reporting obligations under the Medicare, Medicaid and the SCHIP Extension Act of 2007, the resolution of healthcare reimbursement obligations is the duty of each Holder and his or her counsel, and the Tort Claims Trustee shall not be liable to the Tort Claims Trust, to any Holder of a Tort Claim, or to any other person for any act or omission relating to matters covered in this Section 5.7(e), except for the Tort Claims Trustee's own breach of trust constituting fraud, bad faith, or willful misconduct.

(f) Pass-through Expenses and Other Services or Expenses: In addition to the fees above, specific activity-based costs will be passed through directly to the Tort Claims Trust. These pass-through costs include, but are not limited to, independent external audits (as required by the Trust Distribution Documents), external counsel or litigation expenses, insurance, tax preparation fees, postage, printing, envelope material costs, and travel expenses (if applicable for court proceedings or required meetings).

(g) Appeal and Trust Administration Fees: The Tort Claims Trustee may reserve a portion of each Fund associated with each Category of Tort Claims (as defined by Sections 1.4 and 1.5 of the TDPs) to cover the reasonable costs, expenses, and fees, including

attorney fees, associated with the appeal, Individual Review, arbitration, litigation, settlement, or other adjudication (collectively, as used in this Section 5.7(g), “Resolution”) of Tort Claims asserted against that Fund (“Reserve for Resolution”). The Tort Claims Trustee shall pay from the respective Reserve for Resolution the reasonable costs, expenses, and fees, including attorney fees, associated with such Resolution of Tort Claims, and for all other activities required to administer the Tort Claims Trust beyond those identified above.
In the event that the amount of a Reserve for Resolution is insufficient to cover the reasonable costs, expenses, and fees, including attorney fees, associated with the Resolution of the Tort Claims for the Category associated with that Fund, the Tort Claims Trustee shall be entitled to assess the excess costs, expenses, and fees, including attorney fees, of such Resolution (i) against the remainder of the Fund from which that Reserve for Resolution was created, (ii) if said Fund is exhausted, then against each of the other Reserves for Resolution in proportion to the percentage of the aggregate value of the remaining Reserves for Resolution that each such Reserve for Resolution represents, and (iii) if the Reserves for Resolution are exhausted, against each of the other Funds in proportion to the percentage of the aggregate value of the remaining Funds that each such Fund represents.

(h) Additional Services: The TAC and the Tort Claims Trustee intend and contemplate that the Tort Claims Trustee may provide additional, as-yet-unidentified services to the Tort Claims Trust beyond those listed above, and do hereby expressly and irrevocably waive, to the fullest extent permitted by applicable law, any and all actual or potential conflicts of interest that may arise from the Tort Claims Trustee providing such services to the Tort Claims Trust. The Tort Claims Trustee shall have authority, subject only to TAC approval, to contract on behalf of the Tort Claims Trust with itself in its capacity as a claims administrator for such services, which may include, but are not limited

to, the following: the resolution of Healthcare Reimbursement Obligations (as defined in Section 4.7 of the TDPs) subsequent to the verification of said obligations as described in Section 5.7(e) above, the identification and resolution of any probate or bankruptcy interests in payments due to claimants, coordinating the preservation of claimants' needs- or entitlement-based government benefits, and the procurement of medical records. This practice shall be encouraged in those areas in which the Tort Claims Trustee has capacity and / or expertise to provide necessary services. The Tort Claims Trustee shall receive compensation from the Tort Claims Trust for such unidentified services at a reasonable rate, as negotiated between the Tort Claims Trustee and the TAC at the time the need for such services arises. The compensation associated with each such service shall be assessed against the Holders of Tort Claims for whom each such service is provided.

(i) Payment Terms:

(i) Within 15 days of the transfer of any amounts identified in Section 1.1 of the TDPs, the Tort Claims Trustee shall be authorized to assess fees associated with Section 5.7(a) of the Tort Claims Trust Agreement.

(ii) For those Tort Claims described in Sections 5.7(b)-(d) for which the Tort Claims Trustee's fee is \$550.00 per Holder, the Tort Claims Trustee shall be authorized to assess \$220.00 of each per-Holder fee within 15 days of the transfer of the amount identified in Section 1.1(a) of the TDPs, and shall be authorized to assess the remaining \$330.00 of each per-Holder fee within 15 days of the transfer of the amount identified in Section 1.1(b) of the TDPs. For those Tort Claims described in Section 5.7(b) for which the Tort Claims Trustee's fee is \$150.00 per Holder, the Tort Claims Trustee shall be authorized to assess \$60.00 of each per-Holder fee within 15 days of the transfer of the amount identified in Section 1.1(a) of the TDPs, and shall be authorized to assess the

remaining \$90.00 of each per-Holder fee within 15 days of the transfer of the amount identified in Section 1.1(b) of the TDPs. For the healthcare-lien-verification services described in Section 5.7(e) above, the Tort Claims Trustee shall be authorized to assess \$40.00 of each \$100.00 per-Holder fee within 15 days of the transfer of the amount identified in Section 1.1(a) of the TDPs, and shall be authorized to assess the remaining \$60.00 of each per-Holder fee within 15 days of the transfer of the amount identified in Section 1.1(b) of the TDPs.

(iii) Pass-through expenses and appeal and trust administration fees, as described in Sections 5.7(f)-(g) of the Tort Claims Trust Agreement, if any, may begin to be assessed within 15 days of the transfer of the amount in identified Section 1.1(a) of the TDPs and will be billed monthly.

(iv) Within 15 days of the transfer of the amount identified in Section 1.1(a) of the TDPs, and after the approval by TAC of the agreed-upon negotiated rate, the Tort Claims Trust shall be authorized to assess fees associated with Section 5.7(h) of the Tort Claims Trust Agreement.

5.8 Indemnification. The Tort Claims Trust shall indemnify and defend ~~the Tort Claims Trustee~~, (A) the Tort Claims Trustee, (B) the Delaware Trustee ~~and, (C)~~ the TAC members ~~and,~~ ~~(D)~~ the officers and employees of the Tort Claims Trust, and ~~(E)~~ any agents, advisors and consultants of the Tort Claims Trust or the TAC in the performance of its duties hereunder to the fullest extent that a statutory trust organized under the laws of the State of Delaware is from time to time entitled to indemnify and defend such persons against any and all liabilities, expenses, claims, damages, or losses incurred by them in the performance of its duties hereunder or in connection with activities undertaken by the Tort Claims Trustee prior to the Effective Date in connection with the formation, establishment, or funding of the Tort Claims Trust.

5.9 Insurance. The Tort Claims Trustee may purchase, at the expense of the Tort Claims Trust, reasonable amounts and types of insurance with regard to any liabilities, losses, damages, claims, costs and expenses it may incur, including, but not limited to, attorneys' fees arising out of or due to its actions or omissions or consequences of such actions or omissions, other than as a result of its fraud, bad faith or willful misconduct, with respect to the implementation of this Tort Claims Trust Agreement, the Plan or the Confirmation Order.

5.10 No Implied Obligations. No Tort Claims Trustee shall be liable for any duties or obligations except for the performance of such duties and obligations as are specifically set forth herein. No implied covenants or obligations shall be read into this Tort Claims Trust Agreement.

5.11 No Personal Liability. Tort Claims Trust Distribution Procedures

TRONOX INCORPORATED

TORT CLAIMS TRUST DISTRIBUTION PROCEDURES

Capitalized terms not otherwise defined in these Tort Claims Trust Distribution Procedures (“**TDPs**”) shall have the meaning ascribed to such terms in the Plan or the Tort Claims Trust Agreement (“**Trust Agreement**”) executed pursuant to the Plan, as applicable.

The Plan, and the Trust Agreement pursuant to the Plan, establish a Tort Claims Trust (the “**Trust**”) and contemplate the establishment of the TDPs to set out the procedures and means to be implemented by the Tort Claims Trustee for the purpose of processing, liquidating, Allowing and paying Distributions on account of Tort Claims.

These TDPs are not intended to, nor shall they be deemed to, create additional substantive rights for any claimant.

ARTICLE I GENERAL

1.1 Trust Res. The assets transferred or to be transferred to or received by the Trust consist of:

- (a) the Funded Tort Claims Trust Amount, being \$12.5 million in Cash;
- (b) the Trust’s share (not less than twelve percent (12%)) of the proceeds of the Anadarko Litigation pursuant to the Anadarko Litigation Trust Agreement, together with any other amounts provided therein; and
- (c) the Tort Claims Insurance Assets.

The Trust res (“**Res**”) shall consist of the foregoing Trust assets, together with any income or earnings realized or received in respect thereof.

1.2 Tort Claims Trust Distributable Amount. The Tort Claims Trust Distributable Amount (the “**Trust Distributable Amount**”) consists of the *Res* less payments made by the Trust on account of administrative expenses as provided in the Trust Agreement.

1.3 Inherent Uncertainty. The Trust Distributable Amount is presently unknown, and the Plan contemplates certain distributions to Holders of Allowed Tort Claims within each Category (as hereinafter defined) of Tort Claims on a substantially pro rata basis before all Claims are liquidated and before the Trust Distributable Amount is fully known. Accordingly, distributions on account of Allowed Tort Claims need to take into account (to the extent reasonably foreseeable and practicable at the time of each distribution) the uncertainty regarding the number and aggregate liquidated amount of Allowed Tort Claims and the amount allocable to each Category of Tort Claims.

1.4 **Categories of Tort Claims.** The Trust is established to provide for distributions to Holders of Tort Claims. Tort Claims include and consist of the following (each a “**Category**,” as designated):

- (a) **Category A:** Allowed Asbestos Claims, Allowed Unaccounted-for Tort Claims, and Allowed Future Tort Claims.
- (b) **Category B:** Allowed Indirect Environmental Claims.
- (c) **Category C:** Allowed Property Damage Claims.
- (d) **Category D:** Allowed Non-Asbestos Toxic Exposure Claims.

Holders of Tort Claims in each of the foregoing Categories A, B, C, and D will receive distribution(s) of the *Res* allocable to such Category pursuant to the Plan and these TDPs.

1.5 **Determination of Category Sub-Funds.** Pursuant to the Plan and the Trust Agreement, the *Res* shall be divided into the following five (5) separate funds (each, a “**Fund**”) in order to determine the pro rata amount distributable to each Holder of an Allowed Tort Claim within each Category:

- (a) **Category A:** Holders of Allowed Tort Claims in Category A shall each receive their respective pro rata portion of Fund A. Fund A shall consist of a separate sub-account within the Trust equal to six and one-quarter percent (6.25%) of the *Res* (excluding from the *Res* the Excess Anadarko Fund; the Excess Anadarko Fund is defined in Section 1.5(e)).
- (b) **Category B:** Holders of Allowed Tort Claims in Category B shall each receive their respective pro rata portion of Fund B. Fund B shall consist of a separate sub-account within the Trust equal to .15625 percent of the *Res* (excluding from the *Res* the Excess Anadarko Fund) for each whole million dollars of aggregate Allowed Indirect Environmental Claims (.0015625 times the number of whole millions of dollars of Allowed Category B Claims times the *Res* (excluding from the *Res* the Excess Anadarko Fund)), but in no event more than six and one-quarter percent (6.25%) of the *Res* (excluding from the *Res* the Excess Anadarko Fund) (such percentage, the “**Fund B Percentage**”).
- (c) **Category C:** Holders of Allowed Tort Claims in Category C shall each receive their respective pro rata portion of Fund C. Fund C shall consist of a separate sub-account within the Trust equal to .125 percent of the *Res* (excluding from the *Res* the Excess Anadarko Fund) for each whole million dollars of aggregate Allowed Property Damage Claims (.00125 times the number of whole millions of dollars of Allowed Category C Claims times the *Res* (excluding from the *Res* the Excess Anadarko Fund)), but in no event more than six and one-quarter percent (6.25%) of the *Res* (excluding from the *Res* the Excess Anadarko Fund) (such percentage, the “**Fund C Percentage**”).
- (d) **Category D:** Holders of Allowed Tort Claims in Category D shall each receive their respective pro rata portion of Fund D. Fund D shall consist of a separate sub-account within the Trust equal to the balance of the *Res* (excluding from the *Res* the Excess Anadarko Fund) not otherwise allocated to Funds A, B, and C pursuant to Sections 1.5(a)-(c)

above, but in any event not less than eighty-one and one-quarter percent (81.25%) of the *Res* (excluding from the *Res* the Excess Anadarko Fund). For the avoidance of doubt, portions of the *Res* not allocated to Fund B or Fund C in accordance Sections 1.5 (b) or (c) above shall be allocated solely to Fund D.

(e) **Outlying Claims:** The Holders of Category A Claims and Category D Claims who have an Outlying Claim with an Excess Award, shall receive on account of their Excess Award a pro rata portion of any Excess Anadarko Fund pursuant to Section 4.5. As used herein, the “**Excess Anadarko Fund**” shall mean and consist of five percent (5%) of the net proceeds, if any, of the Anadarko Litigation payable to the Trust pursuant to the Anadarko Litigation Trust Agreement in excess of One Hundred Twenty Million Dollars (\$120 Million). For purposes of determining the amount of Funds A, B, C, and D there shall be excluded from the *Res* the Excess Anadarko Fund.

ARTICLE II **ALLOWANCE OF CLAIMS**

2.1 General. All Tort Claims shall be processed, resolved, liquidated and, if Allowed, paid pursuant to these TDPs.

2.2 Claims Procedures.

(a) The Holder of a Tort Claim may assert a Claim against the Trust pursuant to these TDPs.

(b) Within ninety (90) days of the Effective Date, the Trust shall create a claim form to be completed by any Holder of a Tort Claim who desires to have a Tort Claim Allowed (“**Trust Claim Form**”) and the Trust Claim Form shall provide such information about the Holder and the Tort Claim as the Tort Claim Trustee reasonably deems necessary and appropriate to enable the Trust to determine the Category, validity, and amount, as appropriate, of the Tort Claim, provided, however, that with respect to personal injury claims as to which a timely Proof of Claim was filed, (i) the Trust Claim Form shall not require further proof of exposure, and (ii) the Trust Claim Form shall not require further proof of injury. For the avoidance of doubt, a timely filed Proof of Claim shall be accepted by the Trust as irrefutable and final proof of exposure to a Tronox toxic substance and irrefutable and final proof of the injury asserted in the proof of claim with respect to such exposure. Where illness/injury was not specified on a timely Proof of Claim Form or where the illness/injury sought to be compensated has changed, a sworn statement by the Holder of a Tort Claim or such Holder’s authorized representative shall be sufficient proof of injury. An official bankruptcy proof of claim completed and filed in the Tronox proceedings may be attached to the Trust Claim Form and be incorporated by reference as appropriate. For the avoidance of doubt, and without limiting the protection afforded by the Tort Claims Trust Agreement and/or these TDPs, the Tort Claims Trustee shall have the protection afforded by Section 5.6 of the Tort Claims Trust Agreement in relying on the information described in this Section 2.2(b).

(c) The Holder of a Tort Claim shall specify, in the Trust Claim Form, the Category in which his or her Claim falls. No Claim shall be considered, Allowed, or paid in more than one Category.

(d) Claims shall be reviewed, processed and liquidated in chronological order based on the date and time of the timely filing of an official bankruptcy proof of claim, or, as regards future Category A claims, on the date of filing of a Trust Claim Form with the Trust (such dates and times being referred to as the “**Filing Date**”). The Trust will afford priority among claims having the same Filing Date by lottery or other equitable means approved by the Trust Advisory Committee.

(e) Claims in Categories B, C, and D for which no official bankruptcy proof of claim was timely filed with the Bankruptcy Court by the Claims Bar Date shall be disallowed without further review or consideration.

(f) Pursuant to the Confirmation Order, all Claims shall be subject to these TDPs.

ARTICLE III **LIQUIDATION AND ALLOWANCE (DISALLOWANCE)**

3.1 Categories B and C.

(a) All Category B Claims have been or, prior to the expiration of the Claims Objection Bar Date will be, objected to by Tronox. All Category B Claims shall be liquidated in the Chapter 11 Cases for all purposes of these TDPs and Allowed in the amounts determined by Final Order, or, if settled, in the amounts set forth in a settlement agreement between the Holder of the Category B Claims and Tronox (and any other party thereto). For Category B Claims the Allowed Amount of the Claim shall be one-half (1/2) of the amount so determined or agreed to.

(b) All Category C claims will be referred to binding arbitration pursuant to Section 3.5 of these TDPs and shall be liquidated thereby for all purposes of these TDPs and Allowed in the amounts awarded in the arbitration, or, if settled, in the amounts set forth in a settlement agreement between the Holder of the Category C Claim and the Trust. For Category C Claims the Allowed Amount of the Claim shall be the full amount so determined or agreed to.

(c) As soon as practicable after determination of the Allowed Amounts of all Category B and Category C Claims, the Tort Claims Trustee shall determine the aggregate of the Allowed Amounts of all Category B Claims and the aggregate of the Allowed Amounts of all Category C Claims and, on the basis thereof, shall then determine the Fund B Percentage and the Fund C Percentage (Fund A being fixed at 6.25% of the *Res* (excluding the Excess Anadarko Fund) and Fund D being the entire balance of the *Res* (excluding the Excess Anadarko Fund)). Notice of such determinations shall be [●] and shall be final and binding for all purposes.

3.2 Categories A and D.

(a) Upon a determination that a Trust Claim Form for a particular Category A or Category D Claim is complete, which determination shall be made by the Tort Claims Trustee

and provided to the Holder by written notice (a “**Determination Notice**”), the Holder of a Category A or Category D Claim shall have the option of accepting the Scheduled Value (as hereinafter defined) for such Claim (which amount shall be stated in the Determination Notice) or of proceeding with the dispute resolution procedures set forth in Section 3.3 below; provided, however, that there are no Scheduled Values for a Category A Claim that is either an Allowed Unaccounted-for Claim or an Allowed Future Tort Claim, and the Holder of such a Claim must proceed with the individual review procedures set forth in Section 3.4, below. A Holder’s election to proceed with the dispute resolution procedures set forth in Section 3.3 hereof shall be provided by written notice to the Trust and must be received by the Trust within thirty (30) days of the date of the Determination Notice (a “**Rejection Notice**”). If a Holder fails to timely provide a Rejection Notice to the Trust, the Holder shall be conclusively presumed to have accepted the Scheduled Value. The Holder of a Category A Claim that is either an Allowed Unaccounted-for Claim or an Allowed Future Tort Claim need not provide a Rejection Notice to the Trust. Instead, the Determination Notice sent to such Holder will state that the Holder’s Claim will be evaluated under the individual review procedures in Section 3.4, below.

(b) Schedule A attached hereto sets forth the Scheduled Values for those Category A Claims that are Allowed Asbestos Claims.

(c) Schedules B, C, D, and E attached hereto set forth the Scheduled Values for all Category D Claims.

(d) A Holder accepting the Scheduled Value shall not be required to meet any further evidentiary requirements (beyond the matters required to be set forth in the Trust Claim Form) with regard to such Claim, and the Claim shall then be liquidated and Allowed in the amount of the Scheduled Value.

3.3 Dispute Resolution – Categories A and D.

(a) If a Holder of a Category A Claim or a Category D Claim timely provides a Rejection Notice in accordance with Section 3.2, the Claim shall be valued and liquidated in accordance with this Section 3.3.

(b) At any time during the dispute resolution process the Holder of a Claim and the Trust may agree to settle the Claim and thereby conclude the process.

(c) At the option of the Trust, to be exercised by written notice to the Holder of the Claim given within 90 days of the Trust’s receipt of a Rejection Notice, the Claim shall (i) be evaluated in accordance with the Trust’s Individual Review Process pursuant to Section 3.4, below, (ii) be referred to arbitration, as provided in Section 3.5, below, which arbitration may be binding or non-binding at the election of the Holder, or (iii) be liquidated in the tort system as provided in Section 3.6, below. In each such case, the determined value of the Claim may be greater or less than the Scheduled Value which shall have no evidentiary relevance.

3.4 Individual Review – Categories A and D.

(a) Claims referred for review under this Section 3.4 (“**Individual Review**”) shall be processed in chronological order based on their Filing Date.

(b) A Claim referred for Individual Review shall be reviewed for purposes of determining whether the Claim would be compensable in the tort system and, if so, the amount at which such Claim would be determined and liquidated in the tort system. In such regard, the Trust shall within six (6) months following the Effective Date adopt and publish procedures, subject to the approval of the Trust Advisory Committee, for processing Claims referred for Individual Review, which procedures may include evidentiary standards, mediation, third-party expert review, and any other non-binding dispute resolution mechanisms deemed appropriate by the Trust.

(c) Promptly after (and, in any event within sixty (60) days following) the conclusion of the Individual Review of a Claim (if the Claim has not previously been settled by agreement), the Trust shall make an offer of settlement at such amount and on such terms deemed appropriate by the Trust (an "**Individual Review Settlement Offer**"). The Holder shall have thirty (30) days within which to accept or reject the Individual Review Settlement Offer, provided that if the Holder has not timely acted with regard to such offer by written acceptance or rejection, it shall be deemed to have been rejected.

(d) In the event the Holder accepts the Individual Review Settlement Offer, the Claim shall be liquidated and Allowed in the amount and on the terms mutually agreed upon.

(e) In the event the Holder rejects or is deemed to reject the Individual Review Settlement Offer, the Holder shall have the option to elect to have the Claim resolved (i) by binding arbitration as provided for in Section 3.5 below, or (ii) in the tort system as provided for in Section 3.6 below. Such election shall be made in the notice rejecting the Individual Review Settlement Offer, provided that a Holder failing to provide such written notice of rejection under paragraph (c) above shall be conclusively deemed to have elected binding arbitration.

3.5 Arbitration – Categories A and D.

(a) Contemporaneous with the adoption of the procedures for Individual Review, the Trust shall adopt and publish procedures, subject to the approval of the Trust Advisory Committee, regarding non-binding and binding arbitration of disputed Claims. In such regard, the arbitrable issues shall include any aspect of liability or damages that could be at issue or applicable in the tort system, including the determination of applicable law, evidentiary standards, causation and damages, provided that offers of settlement or compromise shall not be offered or accepted as evidence of any matter.

(b) Election of binding arbitration shall require the consent (or deemed election) of both the Holder and the Trust.

(c) Punitive damages shall not be available or awarded in any arbitration.

(d) The award of the arbitrator shall contain a finding as to liability and the liquidated value of (damages attributable to) the Claim.

(e) An award in non-binding arbitration that is accepted by both the Holder and the Trust, and any award in binding arbitration shall be final and binding on the parties and

the Claim shall, subject to the limitations provided for in these TDPs, be Allowed in the amount of such award.

(f) Non-binding and binding arbitration of disputed Claims shall take place only in Delaware.

3.6 Tort System Litigation – Categories A and D.

(a) If the Trust refers a Claim to the tort system, or if a non-binding arbitration award is rejected by the Holder or the Trust, or if the Holder so elects under Section 3.4(e), the Holder of such Claim shall have the right to pursue a lawsuit in the tort system against the Trust (a “**Lawsuit**”).

(b) Any Lawsuit may be commenced against the Trust only in Delaware.

(c) Any such Lawsuit shall be filed by the Holder only in his or her own right and name and not as a representative or member of a class. No suit may be consolidated, for any purpose, with any other Lawsuit and a Holder shall not seek such consolidation or class status.

(d) In any such Lawsuit all claims, counterclaims and defenses (including with respect to the Trust, all defenses which could have been or were asserted by Tronox) shall be available to the parties. Punitive damages shall not be available or awarded in any such Lawsuit.

(e) A Claim asserted in the tort system shall be liquidated and Allowed in the amount awarded by Final Order in such Lawsuit in the event the Holder is the prevailing party. If the Trust is the prevailing party the Claim shall be disallowed.

3.7 Allowed Amount. The amount at which a Tort Claim is liquidated and Allowed hereunder is sometimes referred to herein as the “**Allowed Amount**.”

ARTICLE IV
PAYMENT OF CLAIMS

4.1 Category B Claims.

(a) As soon as practicable after the liquidation and Allowance (or disallowance) of all Category B Claims, the Trust’s determination of the aggregate amount of all Allowed Category B Claims as set forth in Section 3.1(b), and either (i) the Trust’s receipt of the funds described in Section 1.1(b) or (ii) at such earlier time as the Tort Claims Trustee in its sole discretion deems appropriate, the Trust shall determine, as provided in Section 1.5, the applicable Fund B Percentage, the amount of Fund B (to the extent then determinable and reduced to Cash, (the “**Fund B Cash**”)) and each Holder’s pro rata share of the Fund B Cash, and shall pay each Holder its pro rata share of the Fund B Cash. Payment shall be made to the Holder either directly or through the care of the Holder’s counsel.

(b) From time to time thereafter as Trust assets allocable hereunder to Fund B for Category B Claims are liquidated and reduced to Cash, the Trust shall make further

supplemental Distributions with respect to Allowed Category B Claims in accordance with the foregoing procedures; provided, however, that no such supplemental Distribution need be made until the balance of the Fund B Cash available for supplemental Distribution shall exceed [\\$●].

4.2 Category C Claims.

(a) As soon as practicable after the liquidation and Allowance (or disallowance) of all Category C Claims, the Trust's determination of the aggregate amount of all Allowed Category C Claims as set forth in Section 3.1(b), and either (i) the Trust's receipt of the funds described in Section 1.1(b) or (ii) at such earlier time as the Tort Claims Trustee in its sole discretion deems appropriate, the Trust shall determine, as provided in Section 1.5, the applicable Fund C Percentage, the amount of Fund C (to the extent then determinable and reduced to Cash, (the "**Fund C Cash**") and each Holder's pro rata share of the Fund C Cash, and shall pay each Holder its pro rata share of the Fund C Cash. Payment shall be made to the Holder either directly or through the care of the Holder's counsel.

(b) From time to time thereafter as Trust assets allocable hereunder to Fund C for Category C Claims are liquidated and reduced to Cash, the Trust shall make further supplemental Distributions with respect to Allowed Category C Claims in accordance with the foregoing procedures; provided, however, that no such supplemental Distribution need be made until the balance of the Fund C Cash available for supplemental Distribution shall exceed [\\$●].

4.3 Category A Claims.

(a) An objective of the Trust is to pay the Holder of each Allowed Category A Claim the same percentage of their respective Allowed Amount as each other Holder of an Allowed Category A Claim is paid (that is, to afford pro rata treatment to the Holders of all Allowed Category A Claims). Another objective of the Trust is to pay Holders of Allowed Category A Claims compensation on account of their injury as promptly as possible following the determination of the Allowed Amount thereof. In light of these competing objectives, it is not possible to fully implement or achieve both simultaneously. Accordingly, to balance as much as possible the consequences of these competing considerations, Holders of Allowed Class A Claims will be paid more promptly than a strict pro rata payment requirement would permit (because such a requirement would necessitate liquidation of all Category A Claims, present and future, and would require liquidation and reduction to Cash of all Trust assets, including contingent assets presently in litigation) by payment of only a portion of the amount ultimately anticipated to be paid on account of a Claim. Because this requires that the Trust make estimates of the number, type and amount of Claims asserted and to be asserted, of the ultimate aggregate amount of Claims that will be Allowed in the future and of the value that will be realized on unliquidated Trust assets, the portion of the Allowed Amount paid from time to time will likely vary so as to not overpay Claims Allowed early on in the process.

(b) Either (i) as soon as practicable after the Trust receives the funds described in Section 1.1(b) or (ii) at such earlier time as the Tort Claims Trustee in its sole discretion deems appropriate, the Trust shall commence making payments to Holders of Allowed Category A Claims on a first-Allowed-first-paid ("**FIFO**") basis in a cumulative amount equal to

[●] percent ([●]%) of the amount of the Allowed Claim (the “**Fund A Payment Percentage**”). Payment shall be made to the Holder either directly or through the care of the Holder’s counsel.

(c) The Fund A Payment Percentage and the related underlying assumptions, including those regarding the anticipated aggregate Allowed Amount of all Category A Claims, the nature and number of future Category A Claims and the Cash to be realized from Trust assets that are unliquidated, shall be reviewed not less frequently than [●] and the Fund A Payment Percentage shall be adjusted to take into account any changes warranting adjustment. To the extent the Fund A Payment Percentage is increased in the future, Holders of Allowed Category A Claims who previously have received a payment on account thereof shall be paid a supplemental payment in the amount of the difference between the original amount paid and the amount that would have been paid had the newly established Fund A Payment Percentage applied in determining the prior payment.

4.4 Category D Claims.

(a) An objective of the Trust is to pay the Holder of each Allowed Category D Claim the same percentage of their respective Allowed Amount as each other Holder of an Allowed Category D Claim is paid (that is, to afford pro rata treatment to the Holders of all Allowed Category D Claims). Another objective of the Trust is to pay Holders of Allowed Category D Claims compensation on account of their injury as promptly as possible following the determination of the Allowed Amount thereof. In light of these competing objectives, it is not possible to fully implement or achieve both simultaneously. Accordingly, to balance as much as possible the consequences of these competing considerations, Holders of Allowed Class D Claims will be paid more promptly than a strict pro rata payment requirement would permit (because such a requirement would necessitate liquidation of all Category D Claims, present and future, and would require liquidation and reduction to Cash of all Trust assets, including contingent assets presently in litigation) by payment of only a portion of the amount reasonably ultimately anticipated to be paid on account of a Claim. Because this requires that the Trust make an estimate of the aggregate amount of Category D Claims the portion of the Allowed Amount paid from time to time may vary so as to not overpay Claims Allowed early on in the process.

(b) Either (i) as soon as practicable after the Trust receives the funds described in Section 1.1(b) or (ii) at such earlier time as the Tort Claims Trustee in its sole discretion deems appropriate, the Trust shall commence making payments to Holders of Allowed Category D Claims on a FIFO basis in a cumulative amount equal to [●] percent ([●]%) of the amount of the Allowed Claim (the “**Fund D Payment Percentage**”). Payment shall be made to the Holder either directly or through the care of the Holder’s counsel.

(c) The Fund D Payment Percentage and the related underlying assumptions, including those regarding the anticipated aggregate Allowed Amount of all Category D Claims, the nature and number of future Category D Claims and the Cash to be realized from Trust assets that are unliquidated in amount, shall be reviewed not less frequently than [●] and the Fund D Payment Percentage shall be adjusted to take into account any changes warranting adjustment. To the extent the Fund D Payment Percentage is increased in the future, Holders of Allowed Category D Claims who previously have received a payment on account thereof shall be paid a

supplemental payment in the amount of the difference between the original amount paid and the amount that would have been paid had the newly established Fund D Payment Percentage applied in determining the prior payment.

4.5 Outlying Claims.

(a) In the event the Holder of a Category A or Category D Claim declines to accept or is deemed to reject the Settlement Offer at the Scheduled Amount and, thereafter, the Holder prevails in binding arbitration or litigation in the tort system and receives an award, in either case, in excess of the Scheduled Amount for such Claim (an "**Outlying Claim**"), the Allowed Amount of such Outlying Claim shall be bifurcated into (i) an amount equal to the Scheduled Amount for such Claim and (ii) the excess thereof over such Scheduled Amount (such excess being referred to herein as the "**Excess Award**").

(b) As regards each Outlying Claim, the Holder shall be paid in accordance with this Section 4.5, anything herein or otherwise to the contrary notwithstanding. Such Holder shall be paid: (i) on account of the Scheduled Amount portion of the Allowed Amount of such Outlying Claim an amount equal to the appropriate Payment Percentage of such Scheduled Amount (and, from time to time, any supplemental payments in respect thereof as may be paid to other Holders of Claims in such Category not constituting Outlying Claims); and (ii) on account of the Excess Amount an amount equal to such Holder's pro rata portion of the Excess Anadarko Fund, if any, but not in excess of the Excess Amount. Amounts payable in respect of the Excess Amounts, if any, shall be paid within one hundred twenty (120) days following the liquidation and Allowance (or disallowance) of all Category A and Category D Claims liquidated through binding arbitration or litigation in the tort system. Any deferred payment hereunder shall not bear interest nor shall the Holders otherwise receive compensation with regard to such deferral.

(c) In the event that there are funds remaining in the Excess Anadarko Fund after all Outlying Claims have been paid, the remaining funds shall be divided between Funds A and D in proportion to the aggregate value of the Allowed Tort Claims in Categories A and D. The funds shall then be distributed to the Holders of Allowed Tort Claims in each such Category according to the payment procedures set forth in Sections 4.3 and 4.4, as the case may be.

4.6 Releases. The Trustee shall have the discretion to determine the form and substance of the releases to be provided to the Trust and the Released Parties in order to maximize recovery for Holders against other tortfeasors without increasing the risk or amount of Claims for indemnification or contribution from the Trust with respect to the Claim. As a condition to making any payment to a Holder, the Trust shall obtain, for the benefit of the Trust and the Released Parties, a general release in accordance with the applicable state or other law. If allowed by state law, the endorsing of a check or draft for payment by or on behalf of a Holder may, in the discretion of the Trust, constitute such a release.

4.7 Healthcare Reimbursement Obligations.

(a) After the Effective Date, the Tort Claims Trustee shall verify which Holders of Allowed Asbestos Claims, Allowed Non-Asbestos Toxic Exposure Claims, Allowed Unaccounted-for Tort Claims, and Allowed Future Tort Claims are recipients of federal

Medicare benefits (Part A and B) and / or Medicaid benefits (Medicaid benefits shall be verified in state of residence only, unless otherwise agreed) for which the Holder has a reimbursement obligation (a “**Healthcare Reimbursement Obligation**”). The Tort Claims Trustee shall not release the portion of a payment that might be encumbered by a Healthcare Reimbursement Obligation (the “**Healthcare Holdback Amount**”) until proof of resolution and satisfaction of such Healthcare Reimbursement Obligation is provided to the Tort Claims Trustee in a form that the Tort Claims Trustee, in its sole discretion, deems acceptable. Upon receipt of such proof, the Trust shall pay the Healthcare Holdback Amount to such Holder either directly or through the care of his or her counsel, as provided in these TDPs.

(b) Anything herein to the contrary notwithstanding, although the Tort Claims Trustee shall fulfill its obligations to verify whether Healthcare Reimbursement Obligations may exist and shall fulfill its reporting obligations under the Medicare, Medicaid and SCHIP Extension Act of 2007, the resolution and reporting of Healthcare Reimbursement Obligations is the duty of each Holder and his or her counsel, and the Tort Claims Trustee shall not be liable to the Tort Claims Trust, to any Holder of a Tort Claim, or to any other person for any act or omission relating to matters covered in this Section 4.7, except for the Tort Claims Trustee’s own breach of trust constituting fraud, bad faith, or willful misconduct.

TORT CLAIMS TRUST DISTRIBUTION PROCEDURES

Capitalized terms not otherwise defined in these Tort Claims Trust Distribution Procedures ("TDPs") shall have the meaning ascribed to such terms in the Plan or the Tort Claims Trust Agreement ("Trust Agreement") executed pursuant to the Plan, as applicable.

The Plan, and the Trust Agreement pursuant to the Plan, establish a Tort Claims Trust (the "Trust") and contemplate the establishment of the TDPs to set out the procedures and means to be implemented by the Tort Claims Trustee for the purpose of processing, liquidating, Allowing and paying Distributions on account of Tort Claims.

These TDPs are not intended to, nor shall they be deemed to, create additional substantive rights for any claimant.

ARTICLE I Article I **GENERAL**

1.1 Trust Res. The assets transferred or to be transferred to or received by the Trust consist of:

- (a) the Funded Tort Claims Trust Amount, being \$12.5 million in Cash;
- (b) the Trust's share (not less than twelve percent (12%)) of the proceeds of the Anadarko Litigation pursuant to the Anadarko Litigation Trust Agreement, together with any other amounts provided therein; and
- (c) the Tort Claims Insurance Assets.

The Trust res ("Res") shall consist of the foregoing Trust assets, together with any income or earnings realized or received in respect thereof.

1.2 Tort Claims Trust Distributable Amount. The Tort Claims Trust Distributable Amount (the "Trust Distributable Amount") consists of the Res less payments made by the Trust on account of administrative expenses as provided in the Trust Agreement.

1.3 Inherent Uncertainty. The total Trust Distributable Amount is presently unknown, and the Plan contemplates certain distributions to holders of Allowed Tort Claims within each Category (as hereinafter defined) of Tort Claims on a substantially pro rata basis before all Claims are liquidated and before suehthe Trust Distributable Amount is fully known. Accordingly, Ddistributions on account of Allowed Tort Claims need to take into account (to the extent reasonably foreseeable and practicable at the time of each Ddistribution) the uncertainty regarding the number and aggregate liquidated amount of Allowed Tort Claims and the total Trust Distributable Amount allocable to each Category of Tort Claims.

1.4 Categories of Tort Claims. The Trust is established to provide for ~~D~~distributions to Holders of Tort Claims. Tort Claims include and consist of the following (each a "Category,") as designated):

- (a) **Category A:** Allowed Asbestos Claims ~~and, Allowed Unaccounted-for Tort~~ ~~Claims of, and Allowed Future Tort Claimants.~~
- (b) **Category B:** Allowed Indirect Environmental Claims.
- (c) **Category C:** Allowed Property Damage Claims.
- (d) **Category D:** Allowed Non-Asbestos Toxic Exposure Claims.

Holders of Tort Claims in each of the foregoing Categories A-, B, C, and D will receive ~~a pro rata Distribution of that portion distribution(s)~~ of the *Res* allocable to such Category pursuant to the Plan and ~~Section 1.5 hereof, except as otherwise provided in Section 4.5 with respect to Holders of Category A or D Claims that constitute Outlying Claims~~ these TDPs.

1.5 Determination of Category Sub-Funds. Pursuant to the Plan and the Trust Agreement, the *Res* shall be divided, ~~for purposes of determining the pro rata amount Distributable to each Holder of an Allowed Tort Claim within each Category, into the following~~ five (5) separate funds (each, a "Fund"), ~~each such Fund established for the exclusive benefit of Holders of Allowed Tort Claims~~ "Fund" ~~in order to determine the pro rata amount distributable to each Holder of an Allowed Tort Claim~~ within ~~the correlative~~ each Category, ~~as follows:~~

- (a) **Category A:** Holders of Allowed Tort Claims in Category A shall each receive ~~at their respective~~ pro rata portion of Fund A. Fund A shall consist of a separate sub-account within the Trust equal to six and one-quarter percent (6.25%) of the *Res* (excluding from the *Res* the Excess Anadarko Fund; the Excess Anadarko Fund is defined in Section 1.5(e)).
- (b) **Category B:** Holders of Allowed Tort Claims in Category B shall each receive ~~at their respective~~ pro rata portion of Fund B. Fund B shall consist of a separate sub-account within the Trust equal to .15625 percent of the *Res* (excluding from the *Res* the Excess Anadarko Fund) for each whole million dollars of aggregate Allowed Indirect Environmental Claims (.0015625 times the number of whole millions of dollars of Allowed Category B Claims times the *Res* (excluding from the *Res* the Excess Anadarko Fund)), ~~but in no event more than six and one-quarter percent (6.25%) of the *Res* (excluding from the *Res* the Excess Anadarko Fund) (such percentage, the "Fund B Percentage").~~
- (c) **Category C:** Holders of Allowed Tort Claims in Category C shall each receive ~~at their respective~~ pro rata portion of Fund C. Fund C shall consist of a separate sub-account within the Trust equal to .125 percent of the *Res* (excluding from the *Res* the Excess Anadarko Fund) for each whole million dollars of aggregate Allowed Property Damage Claims (.00125 times the number of whole millions of dollars of Allowed Category C Claims times the *Res* (excluding from the *Res* the Excess Anadarko Fund)), ~~but in no event more than six and one-quarter percent (6.25%) of the *Res* (excluding from the *Res* the Excess Anadarko Fund) (such percentage, the "Fund C Percentage").~~

(d) **Category D:** Holders of Allowed Tort Claims in Category D shall each receive ~~a~~their respective pro rata portion of Fund D. Fund D shall consist of a separate sub-account within the Trust equal to the balance of the *Res* (excluding from the *Res* the Excess Anadarko Fund) not otherwise allocated to Funds A, B, and C pursuant to Sections 1.5(a)-(c) above, but in any event not less than eighty-one and one-quarter percent (81.25%) of the *Res* (excluding from the *Res* the Excess Anadarko Fund). For the avoidance of doubt, portions of the *Res* not allocated to Fund B or Fund C in accordance Sections 1.5 (b) or (c) above shall be allocated solely to Fund D.

(e) **Outlying Claims:** The Holders of Category A Claims and Category B ~~Claims that constitute Outlying Claims shall, with respect to that portion of the~~ D Claims who have an Outlying Claim ~~constituting the~~ with an Excess Award, shall receive on account of ~~such~~their Excess Award a pro rata portion of ~~the~~any Excess Anadarko Fund, ~~if any, as contemplated by~~ pursuant to Section 4.5. As used herein, the "Excess Anadarko Fund" shall mean and consist of ~~10~~five percent (~~10~~5%) of the net proceeds, if any, of the Anadarko Litigation payable to the Trust pursuant to the Anadarko Litigation Trust Agreement in excess of One Hundred Twenty Million Dollars (\$120 Million), ~~but in no event more than~~ ~~10~~ Dollars (\$10). For purposes of determining the amount of Funds A-B, C, and D there shall be excluded from the *Res* ~~the amount thereof constituting~~ the Excess Anadarko Fund.

Where illness/injury was not specified on a timely Proof of Claim Form or where the illness/injury sought to be compensated has changed, a sworn statement

by the Holder of a Tort Claim or such Holder's authorized representative shall be sufficient proof of injury. The Trust will afford priority among claims having the same Filing Date by lottery or other equitable means approved by the Trust Advisory Committee.

(e) Claims in Categories B, C and D that were not previously, and D for which no official bankruptcy proof of claim was timely filed with the Bankruptcy Court by the Claims Bar Date shall be disallowed, without further review or consideration.

(a) ~~As soon as practicable following the Effective Date, the Trust shall determine the amount (the "Fund A Cash") of Fund A then liquidated and reduced to Cash (the "Initial Fund A Cash Determination"). The date on which such Initial Fund A Cash Determination is made is herein referenced to as the "Initial Fund A Determination Date."~~

(a) (b) An objective of the Trust is to pay the Holder of each Allowed Category A Claim the same percentage of ~~the~~their respective Allowed Amount as each other Holder of an Allowed Category A Claim is paid (that is, to afford pro rata treatment to the Holders of all Allowed Category A Claims). Another objective of the Trust is to pay Holders of Allowed Category A Claims compensation on account of their injury as promptly as possible following the determination of the Allowed Amount thereof. In light of these competing objectives, it is not possible to fully implement or achieve both simultaneously. Accordingly, to ~~mitigate~~balance as much as possible the consequences of these competing considerations, Holders of Allowed Class A Claims will be paid more promptly than a strict pro rata payment requirement would permit (because such a requirement would necessitate liquidation of all Category A Claims, present and future, and would require liquidation and reduction to Cash of all Trust assets, including contingent assets presently in litigation) by payment of only a portion of the amount ultimately anticipated to be paid on account of a Claim. Because this requires that the Trust make estimates of the number, type and amount of Claims asserted and to be asserted, of the ultimate aggregate amount of Claims that will be Allowed in the future and of the value that will be realized on unliquidated Trust assets, the portion of the Allowed Amount paid from time to time will likely vary so as to not overpay Claims Allowed early on in the process.

(b) (c) ~~In light of the foregoing Either (i) as soon as practicable after the Trust receives the funds described in Section 1.1(b) or (ii) at such earlier time as the Tort Claims Trustee in its sole discretion deems appropriate~~, the Trust shall commence making payments, ~~as herein determined and provided~~, to Holders of Allowed Category A Claims ~~out of available Fund A Cash within ninety (90) days after the Initial Determination Date~~ on a first-Allowed-first-paid ("FIFO") basis in ~~an~~a cumulative amount equal to [●] percent ([●]%) (~~the "Fund A Payment Percentage"~~) of the amount of the Allowed Claim (~~the "Fund A Payment Percentage"~~). Payment shall be made to the Holder either directly or through the care of the Holder's counsel.

(c) (d) The Fund A Payment Percentage and the related underlying assumptions, including those regarding the anticipated aggregate Allowed Amount of all Category A Claims, the nature and number of future Category A Claims and the Cash to be realized from Trust assets that are unliquidated ~~in amount~~, shall be reviewed not less frequently than [●] and the Fund A Payment Percentage shall be adjusted to take into account any changes warranting adjustment. To the extent the Fund A Payment Percentage is increased in the future, Holders of Allowed Category A Claims who previously have received a payment on account thereof shall be paid a supplemental payment in the amount of the difference between the original amount paid and the amount that would have been paid had the newly established Fund A Payment Percentage applied in determining the prior payment.

4.4 Category D Claims.

(a) ~~Upon the Trust's determination of the applicable Fund D Percentage, the Trust shall determine the amount (the "Fund D Cash") of Fund D then liquidated and reduced to Cash (the "Initial Fund D Cash Determination"). The date on which such Initial Fund D Cash Determination is made is herein referenced to as the "Initial Fund D Determination Date."~~

(a) (b) An objective of the Trust is to pay the Holder of each Allowed Category D Claim the same percentage of ~~the~~their respective Allowed Amount as each other Holder of an Allowed Category D Claim is paid (that is, to afford pro rata treatment to the Holders of all Allowed Category D Claims). Another objective of the Trust is to pay Holders of Allowed Category D Claims compensation on account of their injury as promptly as possible following the determination of the Allowed Amount thereof. In light of these competing objectives, it is not possible to fully implement or achieve both simultaneously. Accordingly, to ~~mitigatebalance~~ as much as possible the consequences of these competing considerations, Holders of Allowed Class D Claims will be paid more promptly than a strict pro rata payment requirement would permit (because such a requirement would necessitate liquidation of all Category D Claims, present and future, and would require liquidation and reduction to Cash of all Trust assets, including contingent assets presently in litigation) by payment of only a portion of the amount reasonably ultimately anticipated to be paid on account of a Claim. Because this requires that the Trust make ~~estimates of the number, type and amount of Claims asserted and to be asserted, of the ultimate~~an estimate of the aggregate amount of Category D Claims ~~that will be Allowed in the future and of the value that will be realized on unliquidated Trust assets,~~ the portion of the Allowed Amount paid from time to time ~~will likely~~may vary so as to not overpay Claims Allowed early on in the process.

(b) (c) ~~In light of the foregoing Either (i) as soon as practicable after the Trust receives the funds described in Section 1.1(b) or (ii) at such earlier time as the Tort Claims Trustee in its sole discretion deems appropriate, the Trust shall commence making payments, as herein determined and provided, to Holders of Allowed Category D Claims out of available Fund D Cash within ninety (90) days after the Initial Determination Date on a FIFO basis in ~~an~~a cumulative amount equal to [●] percent ([●]%) (the "Fund D Payment Percentage") of the amount of the Allowed Claim (the "Fund D Payment Percentage"). Payment shall be made to the Holder either directly or through the care of the Holder's counsel.~~

(c) (d) The Fund D Payment Percentage and the related underlying assumptions, including those regarding the anticipated aggregate Allowed Amount of all Category D Claims, the nature and number of future Category D Claims and the Cash to be realized from Trust assets that are unliquidated in amount, shall be reviewed not less frequently than [●] and the Fund D Payment Percentage shall be adjusted to take into account any changes warranting adjustment. To the extent the Fund D Payment Percentage is increased in the future, Holders of Allowed Category D Claims who previously have received a payment on account thereof shall be paid a supplemental payment in the amount of the difference between the original amount paid and the amount that would have been paid had the newly established Fund D Payment Percentage applied in determining the prior payment.

4.5 Outlying Claims.

(a) In the event the Holder of a Category A or Category D Claim declines to accept or is deemed to reject the Settlement Offer at the Scheduled Amount and, thereafter, the Holder prevails in binding arbitration or litigation in the tort system and receives an award, in either case, in excess of the Scheduled Amount for such Claim (an "Outlying Claim"), the Allowed Amount of such Outlying Claim shall be bifurcated into (i) an amount equal to the Scheduled Amount for such Claim and (ii) the excess thereof over such Scheduled Amount (such excess being referred to herein as the "Excess Award").

(b) As regards each Outlying Claim, the Holder shall be paid in accordance with this Section 4.5, anything herein or otherwise to the contrary notwithstanding. Such Holder shall be paid: (i) on account of the Scheduled Amount portion of the Allowed Amount of such Outlying Claim an amount equal to the appropriate Payment Percentage of such Scheduled Amount (and, from time to time, any supplemental payments in respect thereof as may be paid to other Holders of Claims in such Category not constituting Outlying Claims); and (ii) on account of the Excess Amount an amount equal to such Holder's pro rata portion of the Excess Anadarko Fund, if any, but not in excess of the Excess Amount. Amounts payable in respect of the Excess Amounts, if any, shall be paid within one hundred twenty (120) days following the liquidation and Allowance (or disallowance) of all Category A and Category D Claims liquidated through binding arbitration or litigation in the tort system. Any deferred payment hereunder shall not bear interest nor shall the Holders otherwise receive compensation with regard to such deferral.

(c) In the event that there are funds remaining in the Excess Anadarko Fund after all Outlying Claims have been paid, the remaining funds shall be divided between Funds A and D in proportion to the aggregate value of the Allowed Tort Claims in Categories A and D. The funds shall then be distributed to the Holders of Allowed Tort Claims in each such Category according to the payment procedures set forth in Sections 4.3 and 4.4, as the case may be.

4.6 Releases. The Trustee shall have the discretion to determine the form and substance of the releases to be provided to the Trust and the Released Parties in order to maximize recovery for Holders against other tortfeasors without increasing the risk or amount of Claims for indemnification or contribution from the Trust with respect to the Claim. As a condition to making any payment to a Holder, the Trust shall obtain, for the benefit of the Trust and the Released Parties, a general release in accordance with the applicable state or other law. If allowed by state law, the endorsing of a check or draft for payment by or on behalf of a Holder may, in the discretion of the Trust, constitute such a release.

4.7 Healthcare Reimbursement Obligations.

(a) After the Effective Date, the Tort Claims Trustee shall verify which Holders of Allowed Asbestos Claims, Allowed Non-Asbestos Toxic Exposure Claims, Allowed Unaccounted-for Tort Claims, and Allowed Future Tort Claims are recipients of federal Medicare benefits (Part A and B) and / or Medicaid benefits (Medicaid benefits shall be verified in state of residence only, unless otherwise agreed) for which the Holder has a reimbursement obligation (a "Healthcare Reimbursement Obligation"). The Tort Claims

Trustee shall not release the portion of a payment that might be encumbered by a Healthcare Reimbursement Obligation (the “Healthcare Holdback Amount”) until proof of resolution and satisfaction of such Healthcare Reimbursement Obligation is provided to the Tort Claims Trustee in a form that the Tort Claims Trustee, in its sole discretion, deems acceptable. Upon receipt of such proof, the Trust shall pay the Healthcare Holdback Amount to such Holder either directly or through the care of his or her counsel, as provided in these TDPs.

(b) Anything herein to the contrary notwithstanding, although the Tort Claims Trustee shall fulfill its obligations to verify whether Healthcare Reimbursement Obligations may exist and shall fulfill its reporting obligations under the Medicare, Medicaid and SCHIP Extension Act of 2007, the resolution and reporting of Healthcare Reimbursement Obligations is the duty of each Holder and his or her counsel, and the Tort Claims Trustee shall not be liable to the Tort Claims Trust, to any Holder of a Tort Claim, or to any other person for any act or omission relating to matters covered in this Section 4.7, except for the Tort Claims Trustee’s own breach of trust constituting fraud, bad faith, or willful misconduct.

4.8 4.7 Payment Deferral. Anything herein to the contrary notwithstanding, the Trustee, with the consent of the Trust Advisory Committee, may defer any payments contemplated hereby until a sufficient number of Claims in a Category have been liquidated **and Allowed in order** to provide reasonable assurance that the Claims in such Category will be afforded pro rata treatment; provided that deferral of payments to Claims in a Category shall, within such Category, be on a non-discriminatory basis. **Any deferred payment hereunder shall not bear interest, nor shall the Holders otherwise receive compensation with regard to such deferral.**

ARTICLE V Article V **CLAIMS MATERIALS**

5.1 Claims Materials. The Trust shall prepare suitable claims materials (**“Claims Materials”**) for all Tort Claims, and shall provide such Claims Materials upon written request to any interested party. The **proof of claim form Trust Claim Form** to be submitted to the Trust shall require the Holder to assert the highest disease Level for which the Claim qualifies at the time of filing. The **proof of claim form Trust Claim Form** shall also include a certification by the Holder or his or her attorney sufficient to meet the requirements of Rule 11(b) of the Federal Rules of Civil Procedure. In developing its claim filing procedures, the Trust shall make reasonable efforts to afford Holders the opportunity to utilize currently available technology, including filing claims and supporting documentation over the internet and electronically by disk or CD-rom. The **proof of claim form Trust Claim Form** to be used by the Trust shall be developed by the Trust and submitted to the Trust Advisory Committee for approval; it may be changed by the Trust with the consent of the Trust Advisory Committee.

5.2 Content of Claims Materials. The Claims Materials shall include a copy of these TDPs, such instructions as the Trust shall approve, and **a detailed proof of claim form the Trust Claim Form.** The Holder shall provide the Trust with information regarding any recovery from other defendants and claims resolution organizations relating to Claim.

5.3 Withdrawal of Claims. A Holder may withdraw a Claim at any time upon written notice to the Trust, provided that any subsequently filed Claim shall be subject to any statute of limitations.

5.4 Filing Requirements and Fees. The Trustee shall have the discretion to determine, with the consent of the Trust Advisory Committee, whether a filing fee should be required for any Claims that do not accept the Scheduled Value. Any such requirement shall be applied, within any Category, on a non-discriminatory basis.

5.5 English Language. All claims, claims forms, submissions and evidence submitted to the Trust or in connection with any Claim or its liquidation shall be in the English language.

ARTICLE VI~~Article VI~~ MISCELLANEOUS

Except as otherwise provided herein, the Trustee may amend, modify, delete, or add to any provisions of these TDPs (including, without limitation, amendments to conform these TDPs to advances in scientific or medical knowledge or other changes in circumstances), provided the consent of the Trust Advisory Committee is first obtained, except that an adjustment to a Payment Percentage is also governed by Section 4.3 or 4.4 (as appropriate).
